- Sprint #1 Report: Rolli Polli by Rolli Polli's, 10/21/2022

- **Actions to Stop doing:** We should stop having our scrum meetings online as it could lead to distraction of the members.

- **Actions to Start doing:** The team should start having the scrum meetings in person as it leads to more efficient meetings along with better feedback during the sessions. The collaborating team members should start meeting in areas outside of the house as it will have less distractions around.

- **Actions to Keep doing:** The team should continue having a small meeting after class to go over the material and its correlation to our program implementation.

- **Work Completed/ Not Completed:** 1 User Story fully completed:

  As a user I want to be able to login using my credentials to have my own account.

  1 User Story not fully completed:

  As a user I want to be able to create and customize my own profile to set it apart from others.

- **Work Completion Rate:**

  - Total User Stories done: 1

  - Total of estimated work hours: 36

  - Number of days in sprint: 12
